*Dear Chairman Cohen, Chairman Gresko and Distinguished Members of the  
Environment Committee,*

*I am writing in support of House Bill No. 5145 - AN ACT CONCERNING THE USE OF  
PORTABLE WASTEWATER CONTAINERS."*

Allowing campers to use these portable wastewater containers will prevent the temptation of dumping their gray water on the ground. Most campers have very small holding tanks for gray/black water, allowing our campers the use of portable wastewater containers allows them to empty their tanks without packing up the trailer and bringing it to the dumpstation or paying for a pumpout.

Please consider passing House Bill No. 5145.
